EXAMINER'S AMENDMENT

5. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the specification, on page 9, line 22 "Java" has been replaced by "JAVA" and on page 10, lines 1-2, 5-6, 10, 16 and 22, "Java" has been replaced by "JAVA".

REASON FOR ALLOWANCE

6. The following is an examiner's statement of reason for allowance:

The cited prior art taken alone or in combination fail to teach, in combination with the other claimed limitations, a method for automatically modifying behavior of a compiled application, the method comprising the computer implemented steps of inserting the new set of one or more instructions at a location in the first set of compiled instructions that is based on where the entry point to the target routine resides in the first set of instructions, a method for inserting a second new set of one or more instructions at a location in the first set of compiled
